The M.E.T.A. Newsletter

VOLUME 3 NUMBER 12 THE HEARTY SPECIAL FEBRUARY 9, 1979.

What's New

Dear Workers;

As the season is about to begin, I would like to introduce myself as the Competition chairman for the Sports Car Club of B. C., for the 1979 race season at Westwood Motorsport Park.

For those of you who don't know me, the one who zips around the track in the Porsche, usually with a sexy person or a passed out doctor by my side.

As it stands now, we have 9 race weekends at Westwood, plus 2 driver training weekends. The first race of the season March 31 - April 1st, is I.C.S.C.C. Sanctioned, and organized by the Victoria Motor Sport Club. We will join forces with their own workers in the running of this event, which will be co-ordinated by Jim McRae. The remaining weekends will be run under C.A.S.C. Sanctioning.

For those of you who attended the last Club meeting, you had the opportunity to meet Hector McDonald, who has been appointed Clerk of the Course, for the C.A.S.C. events. I hope you will all give him your support during the season.

For the time being I will also assume the duties of Course Marshall.

A new position of Equipment Manager has been created in order to avoid delays at the start of each race day. Jim Sheldon is the man. His responsibilities are to prepare the track on race days, and keep inventory of all material and equipment needed, or to be replaced. During race days, any request for equipment (i.e. cement, brooms, extinguishers etc.) should be directed to him via the land line.

Something new and exciting is being tried for the first time. The Sports Car Club of B. C. is organizing the first RALLY CROSS SERIES. The first 3 races are.

February 18/79 - March 4/79 - March 25/79

Further series (Summer, Fall, Winter) will be added as the year progresses. These races are C.A.S.C. Sanctioned, and count towards your logbook raceday credits.

For worker. Pre-registration contact:

Beverly Crump 939 9809 , (every Thursday evening before each race weekend).

For these weekends worker registration will be at the track at 0845.

Many changes will be taking place during the year. My intentions are to keep you informed through this newsletter. If you need any information or have a problem, you'll usually find me home in the afternoon and evening at :

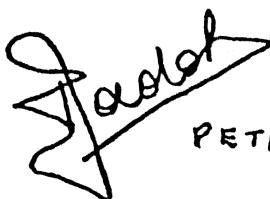

Pete Jadot 936 9701

I look forward to working with you all, FOR YOU, to make this one of our better seasons.

That's all for now.!

P.S.: Driver Training - March 17 18/79

A PLEA!

To all youl members who work shifts, or can spare some time during the day. We need people to staff the car shows, from Monday to Friday during the hours of 9:00 to 6:00.

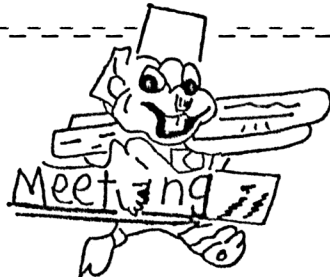

Roger, Rick and Bev. did all that for us the last couple of years, but their time is very limited for this season. PLEASE, if you can spare the time, call me and let me know.

Thanks, Everyone

CONTACT. 939 8717 night and day.

IMPORTANT!

IF it is convenient for everyone, the time of our next 3 meetings, will be moved to 8:00 p.m.

I had signed up for a continuing education course on Wednesdays at a time which would allow me to get to the meetings at the Sport B. C. Building. But because of over booking of students, they moved my class to way down Hastings Street.

I like to start meetings on time, but would find it very difficult to be there for 7:30 p.m. So, I ask you to bear with me till May, when the time can go back to 7:30p.m.

Many thanks
