

THE OFFICIAL NEWSLETTER OF M.E.T.A.

Vol. 11 No.2

June 1986

SURPRISE, SURPRISE!!!! Finally a short sweet newsletter arrives from your new editors Shari Forester, Barb Moewes & Ludy Penuta. We've agreed to try, and we stress try to have your newsletter arrive before each club meeting to remind you to attend. Any ideas to improve our "MAYDAY" would be appreciated.

To make it easier for you to submit articles, we will gather them at club meetings, to be in print before the following meeting.

Our Course Marshall is, once again, Dave Forster (yeah!). He requests that you follow the same procedure as last year in notifying him of your intentions to work (for those of you who did follow the procedure). To those of you who are new to our methods and to those of us who may have been somewhat lax in applying ourselves to the guidelines, Dave requests that you notify him before each event or once for the entire season if you intend making all the events tell him so and then you need only notify him if you can not make a race. Please be realistic if you give him a blanket "yes" and don't forget to call if you are, unable to make it. His is a mostly thankless job and we can all help him out by, at least, making the staffing of the track an easier task. Dave will be available between 6:00pm and 10:00pm Monday thru Thursday of the week prior to an event. His telephone number is 420-0472. Please respect the times given.
