Happy New Year!

Another year has gone by with many great events. M.E.T.A's 25th Anniversary barbecue brought out many members from years gone by, and a good time was had by all. The New Molson Indy Vancouver track layout was a "smashing success". We had a 28 car grid at the last Mission enduro which provided some great racing. Dee Ann Lensen organized one of the best Conference banquets in recent history. Roger and Ann's annual open house was a jubilant affair enjoyed by all who attended, which was a great way to end the season.

BRIAN'S BLABBER

This is the first in what will become a monthly information and gossip column, to keep you abreast of the latest happenings. If you have any info, tips or gossip please contact me.

A special thanks should go to Manny Zumm, who kindly stepped forward to take over the social duties at club meetings. Joe Proud has done a great job for many years and we owe him a debt of gratitude.

META member Mark Miller, who has worked at CART, NASCAR, IMSA and FORMULA ONE events will be off to Florida soon. Mark plans on attending the Rolex 24 hours of Daytona in 1999 and I look forward to his articles. (that's a hint Mark)

A local group is working on a enduro series to run at Seattle, Portland and Mission. Prize money would come from sponsors and entry fees.

Speaking of enduros, the ice race season is about to heat up again and with two enduros and a new stock class it promises to be an exciting season. For more info phone Noel or Sandy at 898-5569 or 306-RACE, or phone Brian at 467-7510.

Rumor has it that the SCCBC sedan race will replace the Indy Lights at the 1999 Molson Indy Vancouver. One source informs me that Speedvision is interested in televising this race.

The on again, off again, track expansion at Mission Raceway park, appears to be on again. No further details were available at press time but we will keep you informed.
