## Sports Car Club of British Columbia

Presents

## *Tony Morris Memorial Weekend*

**October 8 & 9, 2016**

### *Special Event: Time Attack - No Passing - Oct 8, 2016*

(Get to know the track/introduction to Time Attack event)

Hosted by the Sports Car Club of BC

Organized by CACC, Henry Threlfall, Time Attack Director

This introductory event is designed for a driver to improve and test their car handling skills at speeds that may be slightly higher than autoslalom speeds.

The event will consist of two open practice sessions and timed run session(s). Practice sessions will be two separate, equal in number, random groups to be determined at the Drivers Meeting.

The open practice sessions will be twenty (20) minutes in length.

## *Presidents Report*

Hooray – a wonderful weekend at The Ridge race track! Light rain on Saturday, nice and sunny on Sunday with good racing. Thank you to IRDC for organizing a worker go kart race on Saturday after the racing. Races were 20 minute sprint races due to the rain, but unfortunately I had to decline as I need at least two minutes to get out of the kart these days!

META needs to think again about honorary life members to be elected as there are members who qualify, so think about it and submit the names to any of the Executive – Roger, Angus, Dallis or Mike Bailey so that we can choose and announce the names at the Banquet.

We need new blood at the Executive level as the President has to step down after three years. Nominating committee is Angus Glass and Bryan Nuttall.

Racing, racing, racing. There was an email sent out looking for workers for Area 27 for October 2<sup>nd</sup> and 3<sup>rd</sup> offering \$150 per day. Except that the email was received too late for most people. We asked Linda Dorval, Chief Marshal at Area 27, to try to give us two to three weeks notice of these events and she will do her best to give us lots of notice.

Racing, racing, racing. Last race of the season at Mission this weekend. Let's get together and make it a super weekend.

## ICSCC Race Officials Division

Another season of great racing with ICSCC is over and it is time to start preparing for the awards banquet to be held at the SeaTac Marriott on Saturday November 12 2016.

To qualify for an award from ROD, you must have worked at least 3 points race weekends, **one of them away from your home track**. If you worked 3 to 5 races, you qualify for a red award, 6 to 9 would be blue award, 10 to 12 silver award and 13 gold award.

Based on this, please let me know which award you should receive, preferably by scanning and sending me a copy of your current logbook. I will add the schedule of qualifying races at the end of this email. In addition, please let me know if you will require a new plaque to display your award. (If you are a new member, and qualify for an award, you will need a plaque.)

The number of races needed to qualify for a free banquet ticket is still under discussion. I will get back to you on that.

Thanks to all of you for your support this year. I look forward to seeing many of you at the ROD meeting to be held at the SeaTac Marriott also on November 12<sup>th</sup> starting at 9 am. Bring your comments, suggestions and new ideas. All are welcome.

All the best

*Ann Peters*
