There were no members present at the November AGM or the January meeting willing to fill the position of President.

META Policies and Procedures under *Replacement of an executive member* reads: “ the other members of the executive shall take on the duties of the unfilled position until the next regular membership meeting at which time an election shall be held to fill that position”

***Please support your club and plan on attending the next meeting on February 22***

## *Vice Presidents Report*

Hi Everyone,

First of all I would like to thank all the volunteers that come out and give their time to the club and the track. Without you there would be no racing.

The 2017 race season is fast approaching. It's time to think about things that need to get done before it arrives. It would be nice to see more members come out, if possible, to our work party's and to the *Auto Show* in March. This year the auto show will be focusing on the worker volunteer to try and get some new blood out to the track. Don't forget it's the 60th anniversary of *The Knox Mountain Hill Climb* this year, on the May long weekend.

As VP I am not willing to take on the task of being President for reasons of insanity and being mentally unstable!!!

After the META awards banquet it has become apparent that META is clearly in need of a new President, it looks like the old one has fallen off the wall. LOL.....No seriously, Roger has done a great job for the club over the years. We are very fortunate to have him as the President. It is unfortunate for us that he has to step down with no one to fill his shoes.

The Annual META Awards Banquet was a big success, we finally broke the 50 ticket hurdle. I would like to thank all the door prize contributors for their generosity. Thanks to ( Mr.Stuart Davidson ) Lamborghini Vancouver, ( Mr. Brent Koobay ) MCL Motor Cars, ( Amy Chang ) Ferrari Vancouver, ( Keith Cochrane ) OpenRoad Mazda Port Moody, ( Bruce Yeo ) Morrey Nissan of Coquitlam, ( Frank Micucci ) Drivers Edge. It is people like you that make our banquet a big success.

Thanks

*Dallis Smith*

# License Applications

The CACC issues competition and officials licenses for its affiliate autosport clubs and for the variety of race disciplines in which they participate. You may apply for a competition or officials license providing you're a member of one of our affiliate clubs. Visit [our affiliate page](#) to find a list of organizations that come under the auspices of the Confederation of Autosport Car Clubs.

## 2017 License Applications

CACC provides separate competition and officials licenses. If you are both an official and a competitor, you must submit two applications.

Please review the list of documents required to complete your application before you begin your application. The table below lists documentation requirements by license type and discipline. Once you've gathered the necessary documentation, you can apply for your competition or officials license by following the links below:

Apply for your 2017 CACC Competition License at [this location](#).

Apply for your 2017 CACC Officials License at [this location](#).

## Supporting Documentation

All CACC license applications are submitted electronically. To successfully complete the application process, you'll need to submit all documentation required for your discipline and license type along with your application.

**Before beginning the application process, please gather digital copies of the documentation required as indicated below.**

**\*\*\*ATTENTION NEW EVENT STRUCTURE: Ice-X / Time Attack, no passing !\*\*\***

*You asked! We listened!*

Cars On Ice execs have been speaking with past and future attendees to come up with a format that we hope will better meet everybody's needs. So with a few more late nights, here is the new weekend plan. We hope this is more satisfactory for all those who had concerns about the last format.

### The Layout

Instead of the planned one large track, we will be reverting back to the original format of dual tracks that many of you are already used to. Both tracks will be roughly the same size. This means there will still be plenty of room to open up the throttle and get a little tail happy. (This differs from past years where ICE-X had a smaller course then door to door).

### AM

ICE-X will be held on both tracks simultaneously with a total of 4 run groups (two per track). This will allow small groups and lots of runs back to back. Drivers will be afforded the opportunity to run both tracks, time allowing. With this setup your timely driver changes are crucial to ensure fair runs for all.

We will be running a 2 car on track setup as we have in the past.

### PM

ICE-X drivers will shift over to track A and Time Attack – No Passing will begin on track B

Time attack will begin with two cars on track and move up as drivers become more comfortable with the setup and safety allows.

*Please remember Time Attack drivers are required to hold a valid novice or senior Time Attack or Ice Race license! This is not a requirement of the club, but a requirement of our sanctioning body and must be adhered to. Here is the link to the Time Attack Rule Book. Please note the Time Attack No Passing sections of the rule book.*
