Presents

**CACC Race #1**

**April 23 & 24, 2022**

## *Presidents Report*

I expect that, like me, you are all looking forward to another racing season, especially now that there are less restrictions. There will be many changes but at least we will be able to take part in the sport that we all love. Hopefully several new volunteers will come out for training and decide that this is something that they would like to be more involved in on an ongoing basis. Both the Formula E event and CACC have said that there is money available to help train and expand our volunteer base.

We had an interesting META meeting last week with both Rob Seal (who is now a META member) and Andy de Boone attending. They gave us lots of information about the upcoming Formula E race - apparently they have a 5 year contract with Vancouver to hold a race which is reassuring to know. And they are looking for input for what activities they could have in between sessions at the race. So if you have some ideas, please let us know or contact either of them directly.

Hope to see some of you at driver training on the weekend of April 9 and 10. We will be opening the clubhouse on the Saturday morning and some may wish to stay to help out on the track in the afternoon. Also on the Sunday, help is needed, so please register for either of these days on [motorsportreg.com](https://motorsportreg.com).

Finally, a big thank you to all who have stepped up to help META with the costs of insurance. It is good to know that the help is there and that we are much appreciated for what we do. Thank you, thank you!

Yours in the sport

*Ann Peters*

---

2022 CACC Competition and Officials License applications are now open. You can find the required [forms](#) and [license](#) applications on the [CACC website](#).

**Before beginning the application process, please gather all digital copies of the documentation required for your discipline as indicated on the [Licenses page](#).** Consolidating your documentation in a single folder before you begin the process will help you complete your application quickly and easily.

Note that you cannot apply for a 2022 CACC Competition or Officials license without proof of 2022 membership in a club affiliated with the CACC for the 2022 season. If your club does not appear in the "Affiliated Club" dropdown list in your application, then your club has not yet affiliated with the CACC. In that case, contact your club and request that they submit a CACC affiliation application.

Regards,

*Doug Floer*

CACC Secretary

## August 6 & 7, 2022 Mission Raceway Park

### *Featuring Pacific Challenge Cup Series*

After two years of being thwarted by COVID-19, the BCHMR is back with Moore! No that is not a spelling mistake, we will be Honouring Greg Moore, who raced an Indy car with the number 99. I could go on about Greg, but we should save that for later.

We also plan to pack more into this year's BCHMR, featuring the [Pacific Challenge Cup](#) Formula Vee race. The Road Course at Mission Raceway Park is ideally suited to Formula Vees.

The Driver Packages will have some goodies too, such as a special BCHMR Balaclava!  
Be sure to check the BCHMR website <https://www.bchmr.ca/> regularly for all of the latest news!

Registration is now open at [msreg.com/VRCBC-2022-BCHMR](https://msreg.com/VRCBC-2022-BCHMR).

**\*\*Prices are in Canadian Dollars\*\***

Basic Entry \$450

Additional Car (Same Driver) \$275

Second Driver of Shared Car Same Group (Different driver Each Day) \$150

Second Driver of Shared Car Different Group (Different Driver in Each Group) \$450

Novice (Saturday Only) \$275

*Mike Bailey*

VRCBC Vice President

FOR IMMEDIATE RELEASE

## **Edmonton to Host a Celebration of Motorsport History on August 20-21, 2022**

Featuring race cars that competed in the CAN-AM, TRANS-AM, Formula Atlantic, and NHRA

Edmonton, AB -The [Northern Alberta Sports Car Club](http://nascc.ab.ca), celebrating 65 years of bringing Motorsports to Northern Alberta, is proud to present the **SPEEDWAY PARK REVIVAL**; a celebration of Motorsports History focused on the cars that raced at **the Edmonton International Speedway Park from 1968 to 1982**.

The Northern Alberta Sports Car Club has been involved in bringing motorsport to the Edmonton area for 65 years; the organizing club for CAN-AM, TRANS-AM, Formula Atlantic, Formula 500, Tommy Fox Classic, the INDY-Car events held at Edmonton Municipal Airport, Ice Racing with Bobby Unser and many other historic motorsport events.

### **August 20<sup>th</sup> - Speedway Park Revival Car Show and 65<sup>th</sup> NASCC Anniversary Banquet:**

A unique car show format focusing on motorsport and historic race cars that competed in CAN-AM, TRANS-AM, Formula Atlantic, NHRA, and local club events.

This is an opportunity for the public to view cars that are normally secreted away in private collections. How many people have seen a **1968 McLaren M6B**, or a **1974 Maki F1 car**? How about a **1970 Ferrari 512S**? This is an opportunity to see these cars up close, you may even see them racing on the RAD Torque Raceway road course.

A banquet will be held to celebrate the Northern Alberta Sports Car Club's 65<sup>th</sup> Anniversary.

**Do you have a race car sitting in your garage collecting dust?** This is your opportunity to bring it out and show us what you have, with a chance of doing a lap or two on the road course.

### **August 20<sup>th</sup> & 21<sup>st</sup> - Vintage/ Historic and Sports Car Races:**

A 2-day Northern Alberta Sports Car Club event with over 60 Vintage/Historic cars and Sports cars from Western Canada competing on the RAD Torque Raceway road course.

Don't miss the Saturday afternoon NASCC Historic/Vintage feature race event.
