## *Presidents Report*

Seems to be the season of No's right now – no banquet, no racing, except on TV, little to no socializing and no travel. I expect that like me you are getting fed up with all of the restrictions, even though they are there for a good reason. Who would have thought that all of this would still be going on two years after it started.

At least we can look forward to the upcoming season (hopefully). As usual we start the season with Driver Training Saturday April 9<sup>th</sup> and 10<sup>th</sup>. We will probably open our clubhouse that weekend, although no definite plans have yet been made. The first race weekend will be April 23<sup>rd</sup> and 24<sup>th</sup>. Hope to see some of you there.

A big event this year will be the Formula E race in downtown Vancouver to be held on the July long weekend – July 1st and 2nd. I understand that Thomas Liesner will be the Chief of Flags for the event, so if you haven't signed up for it yet, you can do so at [www.motorsportsreg.com](http://www.motorsportsreg.com). Just search for events and the Formula E event will appear. Should be a fun time! More to come later. There is no date conflict with any of the local races, although that same weekend will be the annual SOVREN vintage event in Seattle, which several of our members usually attend.

At our last meeting, we discussed insurance, both Liability insurance and Property insurance. It has been confirmed that all affiliates of CACC must purchase their Liability insurance through CACC. As this is charged at a flat rate per club, and not per member, this is a huge cost for a small club like ours to have to pay each year and we are currently exploring ways in which we might get some help with this through sponsorship etc.

However, for property insurance, clubs are free to buy their own insurance. Karen Clouston presented a rough outline of the items we would be looking to cover, at replacement value, and once this list is finalized, probably at our February meeting, we will be getting quotes for this. Our policy is up for renewal on May 1, 2022 and the plan is to have quotes reviewed and presented to the membership at the March meeting, so time is critical here and this is why I am bringing it to your attention now. Please plan to attend our meetings so that we can have your input to help us make a decision.

Hope to see you at our next meeting on February 23<sup>rd</sup> – most likely on Zoom again. Not quite the same as meeting in person, although it does have some advantages in that our out of town members are able to join in on Zoom. It is good to see Gail on the calls and as for Matthew, I will leave that for you to decide on!

Yours in the sport

*Ann Peters*

### ***2022 CACC Competition and Officials License applications are now open.***

You can find the required [forms](#) and [license](#) applications on the [CACC website](#).

Before beginning the application process, please gather all digital copies of the documentation required for your discipline as indicated on the [Licenses page](#). Consolidating your documentation in a single folder before you begin the process will help you complete your application quickly and easily.

Note that you **cannot** apply for a 2022 CACC Competition or Officials license without proof of 2022 membership in a club affiliated with the CACC for the 2022 season. If your club does not appear in the "Affiliated Club" dropdown list in your application, then your club has not yet affiliated with the CACC. In that case, contact your club and request that they submit a CACC affiliation application.

Regards,

*Doug Floer*

CACC Secretary
