Presidents Report

Another year of racing has come to a close and at the last weekend, it seemed that everything that could happen, did happen. There were many incidents, including some serious ones but fortunately nobody hurt, which was good. Cars, walls and lampposts can always be repaired but it is not always so with people so we were lucky. We even had a situation where there was a possible Medivac flight to land at the track but that too did not happen. What a way to end the year!

At our last meeting, among the things discussed were recruiting and membership fees. Although we will still try to attract new volunteers wherever we can, the consensus was that we would encourage the various racing clubs to recruit new volunteers too. After all, if there are no volunteers, then the drivers can't go racing. There will be some recruiting funds available to the clubs from the CACC Officials Discipline Director which have been included in their budget for next year. These funds are to be distributed at his discretion to the applicants. We also voted on a motion to increase our annual membership fee to \$30 and this motion was passed so please keep this in mind when you renew your membership.

Our next project is to close up the clubhouse for the winter this weekend (and not a moment too soon as one of the volunteers has not been able to travel from the Interior because of all the snow and bad weather!). Soon after that on November 20th we will have the CACC Fall Meeting. This will be held by Zoom again this year, so please make a note of the date and plan to attend. Nominations for the Ed Smart Award will close November 9, so I hope that you will take a moment to vote. The award will be presented at the meeting.

META's AGM is coming up on November 23rd by Zoom and a reminder that all of the Executive positions are open for re-election. Please give some serious thought about running for office for your club. It is your chance to make a difference and to give back to the sport that we all love.

Yours in the sport

Ann Peters

President

Hello ICSCC ROD members,

The 2023 ICSCC Fall Meeting and Awards banquet will be held on November 12th at the Olympia Hotel at Capitol Lake on Saturday, November 12th, 2022. For the Awards Banquet we anticipate appetizers at 5:00 pm, Dinner at 6:30, and Awards presentation at approximately 7:30

Please send me the number of ICSCC races you attended in 2022.

I will not be continuing on as the ROD Director for 2023, I have too many other commitments and I can't commit to attending the number of races required to do the job properly. If you are interested in the position please let me know and I will pass your name on to the ICSCC President.

Thanks,

David

Vice Presidents Report

Hi everyone,

I hope you had a good October. I'm not sure if it was the second or third time I turnworked this year (I always forget to get my logbook signed), but I was on Turn 4 on the Saturday for the last CACC/SCCBC race of the year on the October 8 & 9 weekend. I need to dust off the cobwebs more often, although I did all right, I wasn't up to the standards of many of you.

META's 50th

Now is probably when we should start thinking about META's 50th anniversary. One of the things that was suggested to me is come up with a special anniversary logo to mark the occasion.

I have a couple of ideas, which are similar, and more simmering in the back of my mind, but this is your chance to come up with something.

I can work with a hand drawn sketch or something crude done in MS Paint (or whatever software you have at your disposal), but ultimately, I'll change it to an AI (Adobe Illustrator) file (and export an EMF or Enhanced Meta File for placement in MS Word or other documents).

Why do I ultimately want it in Illustrator format? — Because, if we want stickers, patches, or anything else made that is the preferred format to work with or start from. I can also export Illustrator file to a lot of other formats, depending on what is needed.

Here are three of the ideas I have (although some cleanup is needed):

CACC Fall Meeting

The CACC Fall meeting is on Sunday, November 20, 2022, at 10 AM, mark it on your calendar now!! It will be on Zoom. I will trust that Andrew also has a big notice elsewhere. You should be getting the Zoom link soon.

META AGM and Elections

I think at least 2 positions on the executive are up for grabs as these people have served their maximum 3 years, although the META roster hasn't changed much, it would be nice to see some new faces come forward.

Have fun and play safe!

Mike Bailey

Vice President
