The M.E.T.A. Newsletter

VOLUME 6 No. 2

March 15, 1982

This is a really short newsletter this time, just a few goodies for your information.

DRIVER TRAINING - MARCH 20/21

This is the first "crash and burn" of the season, so start the year off right. Be at the track by 8:45 in the morning Saturday & Sunday. Dress warmly and in our colours - we want to show the new workers and drivers our pride in "the wearing of the white". Be available to lend a hand to the new people; don't let them feel they aren't a part of what's happening. And most important, do your best for the new drivers - they depend on us.

NEXT MEETING - MARCH 24, 1982, 7:30 p.m.

In keeping with our "Westwood is Here to Stay" philosophy, our next meeting will include some fancy sign painting. To support our track, we will be making banners etc. to display at the first race, which will state our faith in Westwood and hopefully convince spectators, drivers and others alike that we're not goin' anywhere! To help us with this venture, Dave Calam (driver of the newest white Camaro) has consented to let us use his shop for our meeting and artwork. You will find a map enclosed in this issue with directions on how to get there.

CAR SHOWS - A ROARING SUCCESS!

Thanks to all who helped in one way or another at the car shows. We have about 50 applications for new workers and hopefully we can keep them interested enough to stick around. A lot of names were also appended to a petition to help Westwood in their negotiations with the government on the lease. We have gotten to know Gordie Smith's brother, Bob - he will be our new Westwood announcer.
