Presidents Report

Looking back at the 2020 season, it certainly wasn't what I was expecting when the year started. When I volunteered to be the President of META I wasn't planning on also becoming the President of CACC this year. I wasn't expecting the COVID pandemic to change all of our lives the way it has either.

I want to thank the other members of the executive for their service to META and motorsports, and the META members who take on official and unofficial roles within our club.

I do not plan to run for the position of META President again next year, the position of CACC President takes up quite a bit of my time and I don't think I can give the position the attention it deserves. I will continue to support the club and the next executive in any way they may ask me to.

I think that our Zoom meetings have been successful, and I look forward to seeing you all at our AGM on November 25th.

Thank you all for your support of META and motorsport.

David

2021 Ice Schedule

January 16/17 - Ice Cross (Auto-X on ice)

January 30/31 - Ice Attack (Lapping/ Track day on ice)

February 13/14 - Ice Cross

February 27/28 - Ice Attack

ICE ATTACK REQUIRES A CACC ICE RACE LICENSE! - To have times recorded you must also have participated in an Ice-x or Ice Attack event within the past 5 years. You may sign up for a CACC license after signing up for this event.

The event is held on Barnes Lake, near Ashcroft, BC, Canada and is approximately a 4 hour drive from Vancouver. The travel time may vary depending on weather, however you should be prepared considering you plan to RACE ON ICE! A number of participants stay overnight in Ashcroft or nearby town Cache Creek for ~\$80/night for a two bedroom stay. For those wanting a true out-door experience some participants chose to camp overnight next to the lake (You must be prepared for the weather).

This event will follow BC COVID-19 protocol and will require all competitors and crew to wear a mask or an equivalent face covering. Some would even recommend the use of a scarf.
